Settlement Hearing was held before this Court on September 14, 2009, to consider, among other things, whether the application for attorneys' fees and expenses, and the class representative incentive compensation awards should be approved by this Court;

WHEREAS, based upon the foregoing, and having considered all of the files, records and proceedings in this Action, the Settlement, the risks, complexity, expense and probable duration of further litigation, and the efforts of Representative Plaintiffs and Representative Plaintiffs' Counsel;

and labor required by Representative Plaintiffs and the Representative Plaintiffs' Counsel is consistent with the fee award and incentive compensative awards.
